Essay Guidelines:

Your essay should be no more than 500 words and should address the following:

Students selected for awards and scholarships are asked to participate in the Accessibility and Testing Student and Faculty Reception. The event provides recipients with the opportunity to share their unique life and educational experiences with the University community. It brings together students, A&T donors, University administrators, faculty, and other stakeholders.

How would you educate the audience about your disability, how it impacts you as a college student, and how the award will assist you in your educational pursuits.
